PRODUCT GUIDE

## 50 YEARS OF DESIGN

1971 – 2021

The human hand can't do anything perfectly – and that's the beauty of it.

Honoring perfect imperfection has become my life's work. I'm inspired by textures and patterns found in nature, translating them to designs in glass and pottery.

When I opened my first shop in Kilkenny, Ireland in 1971, I never would've dreamed that five decades later I would have the privilege to share my products with so many of you.

I'm deeply grateful for our makers, our teams that work to bring products to our customers and all of you who have brought our pieces into your homes.

Thank you for sharing this journey with me.

*Simon*

## NEW ADDITIONS

From updates to our customer-favorite collections to seasonal designs that delight, there's always something to discover. We find inspiration in nature – and through our customers' feedback. From practical to whimsical, we love finding new ways to add beauty and charm to the everyday.

## PRODUCT CARE

---

### GLASS

Simon Pearce glass is created by master glassblowers using the finest materials and artisan techniques. Hand washing is recommended, although dishwasher safe. Do not expose to extreme temperature changes. A shock in temperatures from hot or cold liquids can cause fractures. Glass is not recommended for use in microwaves or ovens. Do not place glass objects in direct sunlight as certain angles magnify light, causing a potential fire hazard. Glass is lead-free.

### CANDLEHOLDERS

Due to the handmade nature of our candleholders, shapes and sizes may vary. Extinguish tapers and pillar candles when flame reaches two inches above the base. Never leave burning candles unattended.

### POTTERY

Our pottery is lead-free, handcrafted stoneware. It is dishwasher, microwave, freezer and oven safe. If placed in the freezer, bring to room temperature before placing in the microwave or oven.

Do not expose pottery to extreme temperature changes; this can cause fractures.

### FLATWARE

All flatware is made of the finest quality stainless steel.

While dishwasher safe, avoid cleaners that may contain citrus. To prevent spotting, heat or hand dry immediately. Please note that dry spots are easily removed by rubbing with a damp soft cloth.

Over time a natural patina is possible. If oxidation occurs, light buffing is recommended.

*Simon Pearce*

The perfectly imperfect impression of the pontil iron is a signature of our brand and a reminder of the human element of the glassblowing process.
